Ray,

In an effort to expedite the process I am going to skip the form letter. Per my voice mail message, please send me an update of the organizational structure for just the North Carolina portion of Republic Services, Inc. Let me know if you have any questions.

Thanks,  
Allen

Our local, North Carolina organization structure has not really changed much since the last binder (2009) that I provided. Do you want the entire corporation structure? Last time I provided this, the binder was 12 inches thick and never did get any comments from Donald Herndon's review. As for our compliance history review, I will submit a request for this information from our corporate office and will forward when I receive it. I'm assuming you want the entire company on this as well?
